RECLAIM FINANCE
Junior financial analyst - 5-to-6-months Internship – Paris

We are looking for a dynamic and passionate individual who is eager to contribute to accelerating the decarbonization of finance.

- Your main mission will be to exploit and analyze financial databases to support Reclaim Finance campaigns.
- You will be supervised by an internship tutor and will work closely with the whole Research & Analysis team, as well as with the campaigners’ team.
- The internship - lasting 5 to 6 months - could start between July and October 2023.

About us

We are a fast-growing European NGO focused on the crossover between finance & climate justice, based in Paris. Launched in 2020, Reclaim Finance has already emerged as a go-to organization on climate-related financial issues.

Affiliated to Friends of the Earth France, we aim to make the financial sector work for a sustainable society. In the context of the climate and biodiversity emergencies, one of Reclaim Finance’s priorities is to accelerate the decarbonization of financial flows. Our method to get there: to snatch wins, one by one.

Reclaim Finance exposes the climate impacts of financial actors, denounces the most harmful practices and pressures financial institutions to stop them. With our own pragmatic approach, we know how to build alliances with other players and put our expertise at the service of financial institutions and political decision-makers who wish to transform their existing practices in line with ecological imperatives.

Main responsibilities

- Conduct financial research (active monitoring, data extraction, processing, analysis) in support of our sector policy analysis and campaigns.
- Contribute to the processing, verification, analysis and use of data from financial research carried out by external service providers.
- Cross-reference financial sector policy data with companies involved in fossil fuels (GCEL, GOGEL, etc.) and financial data to detect specific transactions and to quantify the impact of the exclusion criteria of policies adopted by financial players.
- Cross-reference financial actors policy commitments with their real world financing of fossil fuel companies (GCEL, GOGEL, etc.); allowing us to monitor for potential infractions.
Monitor, research and analyze financial sector trends; identify campaign opportunities; make investment and financing mechanisms accessible (e.g., towards the oil and gas sector).

Collaborate with campaign managers and international partners in the dissemination of financial data and analysis.

Conduct other research and analysis on topics related to Reclaim Finance’s work (green bonds, life insurance, project financing, private equity, etc.) and according to the potential of the databases at our disposal (Bloomberg, IJGlobal, etc.).

Contribute to the activities of the Research & Analysis team, to the life of Reclaim Finance and to cross-functional projects.

About you

- Training in finance, economics, mathematics, computer science, engineering or another relevant field (minimum 4 years of higher education);
- Ability to process and analyze complex data sets;
- Familiarity with Excel (or equivalent);
- Knowledge of finance and/or a programming language (VBA, R or Python) would be a plus;
- Rigorous, meticulous, organized and able to learn quickly;
- Ability to work in team and integrate into a collective project;
- Very good level of English (read/written/spoken); elementary French; a third language is a plus.

Moreover, you share Reclaim Finance’s mission and values, and are concerned by environmental issues.

Terms and conditions

- 5–6-months internship; immediately available (start date between now and October 2023);
- Position based in Paris (3rd arrondissement), with the possibility of teleworking 2 to 3 days a week (under certain conditions, 100% teleworking may be possible);
- Coverage: 50% transportation card and 60% luncheon vouchers.
- Paid internship: €800 net/month;
- Full time: 35 hours.

Please send your CV and cover letter before June 28, 2023 by e-mail to recrutement@reclaimfinance.org, indicating "Junior Financial Analyst" in the subject line. The association reserves the right to close the recruitment process before this date.
