JOB ADVERTISEMENT – RECLAIM FINANCE
Policy Analyst
100% FTE – fixed term contract - SE Asia or Australia based - with travel

Are you looking for a new challenge and wanting to make a real difference? Join us in one of the most significant battlegrounds of the fight against climate change - reclaiming finance!

- Help advance the work of a fast growing European climate justice player;
- Work with the regional and global climate action movement;
- SE Asia-based with travel; open to relevant Australia-based applicants.

About us

Reclaim Finance is a fast-growing Paris-based NGO focused on the crossover between finance and climate justice. Launched in 2020, Reclaim Finance has already emerged as a go-to organization on climate-related financial issues.

Affiliated with Friends of the Earth France, Reclaim Finance aims to make the financial sector work for a sustainable society. In the context of climate and biodiversity emergencies, one of Reclaim Finance’s priorities is to accelerate the decarbonization of financial flows.

Reclaim Finance exposes the climate impacts of financial institutions, by naming and shaming the worst actors and calling out good policies. Pragmatic, they build alliances and collaborate with financial institutions and political decision-makers who wish to transform their existing practices in line with ecological imperatives.

Benefits & Culture

- Visible role in a fast-growing European climate justice organization;
- Work with the regional and global NGO and CSO climate action movement;
- Enjoy mentorship from established players in the climate and energy ecosystem;
- Asia-based with regional and global travel; strong candidates in Australia who meet the skills required may be considered.

Main responsibilities

Reporting to a senior staff member and working closely with the Reclaim Finance team and CSOs internationally, your primary goal is to ensure that existing Just Energy Transition Partnerships (JETPs) are an effective tool to promote just 1.5°C-aligned fossil-fuel phase outs. Your advocacy will focus on the role of the Glasgow Financial Alliance on Net Zero (GFANZ) and its financial institution members in shaping and financing JETPs. You will also develop relationships and undertake advocacy with governments in JETP host and donor countries and track the developments of emerging JETPs.

Other key responsibilities are to:
- Develop/implement advocacy strategies focused on private sector actors and JETP processes;
- Ensure that JETPs do not promote fossil gas, biomass, or other non-solutions;
- Promote Reclaim Finance’s positions and the voices of CSOs in JETP host countries and in media;
- Analyze energy and finance policies and regulations in Indonesia, Vietnam and other JETP countries;

• Build relationships with stakeholders in CSOs, governments and the private finance sector, including GFANZ and its sectoral alliances and members;
• Prepare and disseminate policy positions for NGOs, media, and for use in advocacy;
• Contribute to the management of the project budget, fundraising and donor reporting.

About You

You are a dynamic individual with energy-related policy analysis and campaign strategy experience and you are eager to help ensure a just transition out of fossil fuels for countries in the Global South. You can demonstrate successful energy, climate or closely related advocacy, campaigning, or policy work and you have the proven capacity to develop and implement change strategies. You are well connected with CSOs and government and private sector stakeholders across Asia and you have a good understanding of the regional energy politics, policies, and finance landscape. Additionally you offer:

• Ability to work independently, proactively, and to consult with colleagues and partners;
• Excellent written and verbal skills in English and ideally in another SE Asian language;
• Strong analytical and numerical skills; able to analyze and synthesize complex information;
• Strong team collaboration skills and able to manage multiple projects simultaneously;
• You have working and residency rights for your Asia location/you reside nearby with relevant experience.

Terms and Conditions

• The position is to be filled immediately, permanent contract;
• The position is preferably based in Asia or Australia with travel;
• Flexible hours during the week, the job can require occasional availability during weeknights and weekends;
• Remuneration and benefits to be discussed (depending on your location, proven experience and Reclaim Finance’s internal salary grid).

Please send your CV and a cover letter by mail to recrutement@reclaimfinance.org with the mention “Policy Analyst”. Position open until filled.
